The Metropolitan is the perfect place for your next function. Whether it be a corporate lunch or meeting, product launch or your next special occasion.

Located in the heart of the CBD, and steeped in Melbourne's history, the hotel boasts two separate function spaces, which can be hired separately or joined together to make one big party.

The upstairs function room has been stylishly designed with an open fireplace, elegant lighting, sophisticated décor and leather backed seating and couches.

The ground floor function room comprises an open plan design with polished floorboards, marble topped bar, internationally acclaimed sculpted bronze beer taps and separate stage area that provide a comfortable sophistication that's hard to match.

The Metropolitan hotel specialises in unusual requests and we pride ourselves on our attention to the finer details. Our functions department can tailor a unique package to suit your individual requirements and will ensure your event is a success.
